

POSTSECONDARY EDUCATION INSTITUTION OPIOID EDUCATION, TRAINING, AND REPORTING POLICY

THE GOAL

The Board of Regents, with input from the four public systems and LAICU, has developed a comprehensive campus opioid prevention education and training response policy in an effort to address the nation's rising opioid epidemic.

THE SUMMARY

Louisiana's postsecondary institutions will provide substance misuse and abuse prevention education, awareness and response training to the campus community to ensure they can identify common symptoms of an opioid overdose, administer naloxone, and provide supportive care. Through an excellent partnership with the Louisiana Department of Health, the campuses will be provided with naloxone.

THE COMPONENTS

- Educational awareness of substance misuse and abuse for the entire campus community.
- Annual training for certain campus personnel and students who live on campus.
- Naloxone administration reporting requirements to the Board of Regents.
